If there is anything specific you require from the Scout Shop Website then please email or telephone as soon as possible & we will place your order. All profits go back in to Scouting & your Scout Group receives a commission from us.

### **'Survival Squad' Scout Novels**

Is your Cub or Scout a fan of **Bear Grylls**, if so he or she will love these novels? The 'Survival Squad' set of four books are written by a Scouter for young people. At the Worthing Shop the books are on **Special Offer**, so call in soon to avoid disappointment.

### **Start Up Package for New Beavers & Cubs**

We are again giving parents a discount when buying a new Beaver or Cub Sweatshirt along with Activity Trousers (or shorts), baseball cap & either a drinks bottle or tote bag, a saving of £3.50. This is **only available at the Worthing Scout Shop**.

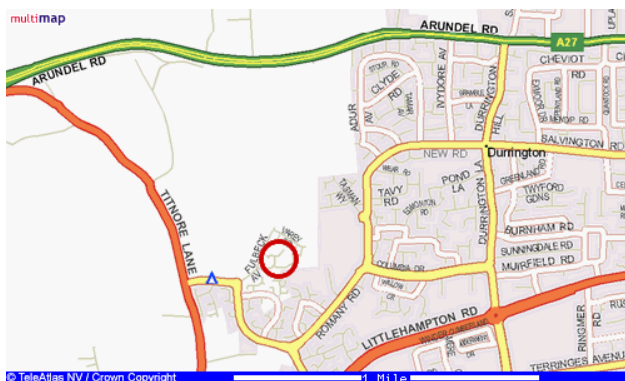

Our prices offer a considerable saving over high street prices at school outfitters, where uniform prices are around 50% higher than ours.

### **'Parent's Guides' to Scouting**

Leaders, excellent new booklets have been produced by Scout Shops as an introduction to Scouting for the Parents of new Beavers, Cubs, Scouts and Explorers. There is a separate Guide for each Section. Whilst they are free, there is a limited supply, so please only ask for the number which you presently require, on your next visit to the Shop.

The Guides are only available from the Worthing District Scout Shop.

**All Leaders** – We hold all your needs for woggles, investiture certificates, Chief Scout award certificates, record cards, thanks cards & badges and Beaver & Cub medals.
